

MAYFIELD PREPARATORY SCHOOL

Believe it! Achieve it!

At Mayfield, we have high expectations of our pupils and staff and we are constantly challenging ourselves to raise our excellent standards even higher

Welcome to Mayfield

For many years, Mayfield has been held in great esteem for providing generations of children with an unrivalled start to their education and is widely regarded as one of the leading Preparatory schools in the West Midlands.

Mayfield has a happy, caring, family atmosphere incorporating the traditional values of respect and courtesy. Whilst respecting the beliefs of others in our community, the school is based on Christian principles.

We have a clear vision at Mayfield: to be recognised as an outstanding school in every aspect. Our pupils are inspired to fulfill their potential in all areas: the academic curriculum, sports and the creative arts. We give our pupils the personal and social skills necessary to become well-rounded, self-assured individuals, able to meet the challenges of the 21st Century. We ensure that our pupils are happy, independent learners and are thoroughly prepared for their next steps in education.

At Mayfield, our aim is to provide the highest standards of education for our pupils in a safe, secure and nurturing learning environment that allows our children to develop their potential and individuality.

unless that first rung is firmly in place*

Rosemary Peacocke

First Steps

In our Nursery, the children are given an excellent start to their school life with an introduction to reading, writing, mathematics and learning in all areas. We offer a range of exciting and interesting activities and resources catering for all styles of learning, whilst still allowing the children freedom to develop and explore. The learning experiences are extended both indoors and outdoors.

Our Nursery is a wonderful place to be, where the needs of the children are considered the most important aspect of our work. This motivates our staff to provide the best possible learning environment.

*Choosing Mayfield was the best
decision I ever made for my children*

Mayfield Parent

From small seeds, great things grow

The Pre-Preparatory department builds upon the solid foundation the children have received in Nursery. There is a substantial focus on reading, writing and mathematics. Other important subjects such as music, ICT, foreign languages and PE are taught by specialist teachers whilst elocution and ballet classes develop other qualities such as discipline and posture.

Our younger children are able to thrive in a welcoming and secure environment, becoming confident and independent learners.

The school is successful in meeting its aim to encourage and develop academic excellence

Independent Schools Inspectorate

Nurturing enquiring minds

At Mayfield, children are educated in well-proven, traditional methods by a highly experienced staff of teachers with specialist qualifications across the curriculum. This enables our pupils to consistently attain results far above National and local standards. We fully prepare our children and parents for their next steps, providing highly effective tuition for Senior School Entrance Examinations at 11+ and the majority of our pupils progress to leading selective independent and grammar schools.

Our state of the art Millennium Block contains a modern, purpose built Science classroom with a sophisticated additional laboratory for advanced experiments. There is also a spacious, well equipped Art and Technology workshop which enables our pupils to flourish in an ideal learning environment.

At the heart of Mayfield is the pastoral care we provide for our children. There is a close bond and a strong partnership between pupils, staff, parents and governors. Our children are taught the values of courtesy, manners and respect for others.

*The highlight of my year was
representing Mayfield at cross country*

Mayfield Pupil

Healthy and active

Whilst developing the academic ability of our pupils, we also recognise the importance of developing the individual. An integral part of life at Mayfield is Physical Education and Games; our children are taught a wide and varied programme and relish the chance to gain individual achievements in gymnastics, dance and athletics, as well as given many opportunities to represent school teams in football, netball, rugby, rounders, cricket and cross country events.

*9 year olds capable of performing Midsummer Night's Dream
by Shakespeare! - Breath-taking and wonderful!*

Chair of Governors

Expression, performance and creativity

Mayfield has a strong reputation of excellence in the Creative Arts. Through Music, Drama and Art, our pupils gain the chance to express themselves and with performances throughout the year, we provide our children with the opportunity to gain confidence and build self-esteem. Thus, each year, pupils are able to achieve outstanding results in nationally recognised speech and drama examinations (LAMDA).

Whether it's a carol service, a speech festival or a production of a Shakespearean play, Mayfield aims to engender and nurture a passion for the Creative Arts.

*Something for everyone to motivate
and enrich every individual*

Mayfield Teacher

Outside the classroom

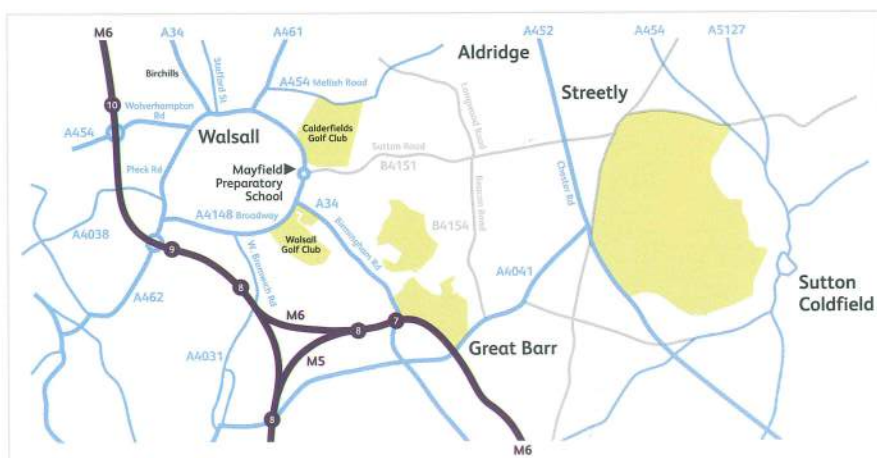

An extensive programme of extra-curricular activities is offered after school including team sports, athletics, swimming, ballet, creative activities, dance, Mandarin classes, gardening, chess and Brain Skills which leads towards preparation for 11+ entrance examinations. Children also enjoy a number of school trips and visits in every year group, the highlight being the Year 6 adventure weekend.

Mayfield also offers extended care both before and after school. Our specially trained staff provide a variety of stimulating activities including art, craft, games, cookery and outdoor play as well as more focused time for older pupils to read and complete homework.

Next Steps

We hope that our prospectus has given you an impression of life at Mayfield but we firmly believe that the only way to experience the school and in turn, make the right choice for your child, is to come and see what we have to offer. A warm welcome awaits you.

ADDITIONAL INFORMATION

ETHOS, AIMS & VISION

Ethos

Mayfield Preparatory School has a happy, caring, family atmosphere incorporating the traditional values of respect and courtesy. Whilst respecting the beliefs of others in our community, the school is based on Christian principles.

Vision

We have a clear vision at Mayfield: to be recognised as an outstanding school in every aspect. Our pupils are inspired to fulfil their potential in all areas: the academic curriculum, sports and creative arts. We give our children the personal and social skills to become well-rounded, self-assured individuals, able to meet the challenges of the 21st Century. We ensure that our pupils are happy, independent learners and are thoroughly prepared for their next steps in education.

Aims

- To provide the security of a constant, caring environment where the health, safety and welfare of each individual is promoted.
- To promote academic excellence through a broad and balanced curriculum.
- To encourage a sense of curiosity, and an enjoyment and passion for learning.
- To develop the confidence and determination of our pupils to achieve their full potential in all aspects of school life.
- To be aware of the need for consideration and courtesy to others around us and make a positive contribution in the wider community.
- To stimulate an understanding of spiritual awareness.
