

Mayfield Preparatory School
Believe it! Achieve it!

SUNDAY TIMES LEAGUE TABLES 2016

Dear Parents,

There are some schools who are blessed with an extraordinary cohort of pupils who ace the SATs exams and catapult the school into the league tables. Sometimes, those schools disappear from the league tables the year after, because they cannot maintain the high standards. If a school that can maintain a place in the top league tables year after year, then it is the mark of a great school. I am proud to report that Mayfield Preparatory School is celebrating a sixth successive year in the Sunday Times League Tables Top 100 Prep Schools, published 20th November 2016. This year, Mayfield are placed at number 51 and the rankings are calculated from the SATs exams taken by Lower III pupils in May 2015. Although the school dropped a few places as expected, this still shows that Mayfield is consistently one of the top prep schools in England and I am proud to be Headmaster of such an excellent school. In fact, judging from the results we had this summer, I confidently predict Mayfield will rise higher in next year's league tables – I look forward to it.

I would like to congratulate the children, who always rise to the occasion, and my thanks go to the all the hardworking staff at the school from Pre-Nursery to Lower III, and including the administration and maintenance staff, whose combined efforts have ensured that our children have flourished in all areas of the curriculum at Mayfield, not just academically but also in sport, ICT, music, drama, languages, the arts and Early Years. Thanks also go to the governors for their ongoing support and to you, parents, for the vital contribution made at home. Everyone working together is essential in ensuring our children fulfil their potential!

We will continue to do our utmost to provide the best all-round education possible for our children to enjoy at Mayfield Preparatory School! Let us all enjoy our success!

Yours sincerely,

Mr M. Draper
Headmaster
