

Mayfield Preparatory School

Believe it! Achieve it!

Thursday, 13th December, 2018

Dear Parents in Upper II & Lower III

As you know, Mrs Andrews is expecting a baby and is due to take maternity leave at the beginning of February 2019. You will be reassured to learn that I have found an excellent teacher to cover her maternity leave. Mrs Zoe Hatton qualified as a teacher from Leeds University and has been teaching at Coppice Primary School, Sutton Coldfield for the last 16 years. She is a very experienced teacher, has been Head of Key Stage and has been teaching in Year 5 for the last six years. She was recommended to the school by Mrs Inkster, who has known her personally and professionally most of her life. She will be able to come into the school on several occasions before she takes over from Mrs Andrews to ensure there is a smooth transition for the children with as little disruption as possible.

You will be able to meet Zoe Hatton at the UII & LIII Mathematics Workshop on Monday, 21st January, 2019 at 2.00 pm in the Hall.

Mrs Hawthorne and Mr Watts will be talking about Mathematics in UII & LIII, methods, expectations and working towards senior school entrance exams and Key Stage Two SATs, and the importance of your involvement to help our pupils become confident mathematicians. We expect the meeting to last about an hour.

Yours faithfully

Mr M. Draper
Headmaster
