Dear Parents in Lower II & Form II

You are invited to a Mathematics Workshop on Wednesday, 6th February, 2019 at 2.00 pm in the school hall.

Mrs Cook will be talking about Mathematics in Form I, methods, expectations and working towards senior school entrance exams and Key Stage Two SATs, and the importance of your involvement to help our pupils become confident mathematicians. We expect the meeting to last about an hour.

There is no parking available in school, so please access the school hall via the pedestrian gate, pathway, courtyard and Art Block door.

We look forward to seeing you all there.

Yours faithfully

Mr M. Draper
Headmaster
